

# A FROG HELPED ME LEARN HOW TO READ.

## DESTINATION READING

Today's students and teachers are achieving new gains in reading through an engaging and challenging curriculum that captivates early learners and extends to adolescents during the critical middle school years. Destination Reading® directly addresses individual student needs through adaptive, explicit and differentiated instruction, high-interest content, and interactive software – proven effective in reaching all students and accelerating proficiency.

**Inspire your students.  
Empower your teachers.  
Let us lead you to the right Destination.**
